CITY COUNCIL AGENDA December 1, 2022- 5:30 PM

- 1. CALL TO ORDER
- 2. PLEDGE OF ALLEGIANCE
- 3. ROLL CALL
- 4. ADOPT AGENDA
- 5. PUBLIC COMMENTS Visitors may share their concerns with the City Council on any issue, which is not already on the agenda, under Public Comments. Please give your name, address and your concern or comments. Each person will have 3 minutes to speak. Your comments must be addressed exclusively to the Mayor and City Council, not to any individual Council or staff member. The Mayor reserves the right to limit an individual's presentation if it becomes redundant, repetitive, irrelevant, or overly argumentative. All comments will be taken under advisement by the Council. No action will be taken at this time.
- 6. ADOPT CONSENT AGENDA All items listed under this section are considered routine and non-controversial by the Council and will be approved by a single motion. An item may be removed from the consent agenda and discussed if a Council member, staff member, or citizen so requests.
 - A. Minutes- November 3, 2022 Council Workshop
 - B. Gambling Application- Capital City Strutters
 - C. Gambling Application- Capital City Strutters
 - D. List of Bills-\$131,135.11
- 7. WASHINGTON COUNTY SHERIFF'S OFFICE REPORT
- 8. FIRE CHIEF'S REPORT
- 9. ENGINEER'S REPORT
 - A. MOU- Underground BMP SWWD
- 10. SUPERINTENDENT OF PUBLIC WORKS REPORT
- 11. ADMINISTRATION REPORT
 - A. **Public Hearing-** Truth-In-Taxation (6:00 p.m.)
 - B. Resolution No 2022-47- Assessment of Delinquent Accounts
- 12. MAYOR AND COUNCIL REPORTS

13. ADJOURNMENT

CITY OF NEWPORT 2060 1ST Avenue Newport, MN 55055 (651) 459-5677 ci.newport.mn.us

COUNCIL WORKSHOP MINUTES November 3, 2022

1. CALL TO ORDER

Mayor Elliott called the City Council Workshop to order at 6:07 p.m. on November 3, 2022.

2. ROLL CALL

Present (5): Mayor Laurie Elliott, Council Member Kevin Chapdelaine, Council Member Tom Ingemann, Council Member Marvin Taylor, and Council Member Rozlyn Johnson.

Not Present (0): None.

3. REFINERY PRESENTATION

Kate Blair Klossner, Government Affairs Manager, and Austin Fontenot, General Manager for Marathon Refinery, presented to Council. They gave an update on the St. Paul Park Refinery and inquired about the needs of the community. Mayor Elliott thanked Marathon Refinery for their generous donation in sponsoring Pioneer Days.

Superintendent of Public Works Matt Yokiel stated he has been working with Aaron Christy regarding a potential partnership for a dog park for Newport. The proposed area for the dog park is in the buffer zone between 5th and 7th Avenue and 2nd street. This area has water available as well as space for parking. Superintendent Yokiel is working to get pricing for fencing and will get that information to Mr. Christy. Mayor Elliott inquired the threshold for local approval. Ms. Klossner stated the local approval threshold is \$5,000 and anything larger than \$5,000 would require a higher level of approval. Mayor Elliott explained that the dog park is a high priority and very meaningful for our community. Ms. Klossner understands the importance and will advocate on the city's behalf.

Mayor Elliott inquired about emissions. Mr. Fontenot stated he can provide emissions reports showing their reductions.

4. CIP/BUDGET UPDATE

Assistant to the City Administrator Travis Brierley stated staff updated the CIP. The goals were to put items in the CIP, estimate life cycles / replacement costs, stabilize the transfers going from the general fund to the CIP's, and avoid significant fluctuations in the future. Council discussed park priorities. Mayor Elliott stated the second priority out of the parks survey was a dog park, and the third priority was to fix our sport courts. Council discussed new play equipment at Busy Beaver and an updated ice rink at Loveland. The direction for staff is to reduce the funds for the hockey rink from \$150,000 to \$125,000 and use the remaining \$25,000 for the potential dog park fencing. They should take an additional \$50,000 out of NEDA for the Busy Beaver play structure. The Busy Beaver play structure will most likely need another \$15,000 to \$25,000. This year we will use the current boards for the hockey rink, but next year we can investigate something else. The Lions Park money would be used to redo the tennis courts.

Assistant Brierley presented the 2023 budget update. The preliminary proposed levy was 3.7 million but had unknown factors including health care costs and updates to the CIP. Staff found our health care costs increased 7% and discussed the budget if our CIP is reduced by \$220,000.

City Engineer Jon Herdegen informed Council about a MPCA Grant, and stated they recently completed a sanitary sewer study for a future development north of Bailey Road.

5. FUTURE MEETING AGENDA ITEMS

Assistant Brierley stated future agenda items include final CIP/Budget, TNT Presentation, Planning Commission Public Hearings for CUP's, Fire Relief proposal for PERA, and vacation buyout.

6. ADJOURNMENT

Mayor Elliott adjourned the City Council Workshop at 8:01 p.m. on November 3, 2022.

Respectfully submitted: Jill Thiesfeld, Administrative Assistant II

Signed:	
	Laurie Elliott, Mayor

To: Honorable Mayor and City Council Members

Mr. Joe Hatch, City Administrator

From: Jon Herdegen, P.E. – City Engineer

Subject: Alternative Stormwater Compliance

Date: November 18, 2022 – For the December 1st City Council Meeting

As outlined in the South Washington Watershed District Rules (7.3.4 Stormwater Quality), the maximum Allowable Total Phosphorus (TP) Loading Rate for areas contributing runoff to the Mississippi River is 0.22 lb/ac/yr. All construction project within the watershed must incorporate a stormwater BMP (best management practice) capable of reducing the TP loading to the maximum allowable rate. Normally, the most cost-effective BMP to reduce TP is a wet detention pond which allows the phosphorus particles to settle out of the stormwater before discharging to the receiving body. On small development sites or sites with shallow bedrock, construction of an adequately sized BMP is not practical.

In 2020, Wilson Trucking Lines proposed to improve their gravel parking lot with bituminous pavement. The required BMP footprint would be both expensive and would sacrifice valuable space from their operation. The City and Wilson Trucking Lines worked with the SWWD to craft a memorandum of understanding that outlines an alternative compliance schedule for the site to allow for the parking lot reconstruction project to commence later that fall. We identified a value of \$6,000/lb for the annual reduction of TP. Wilson Trucking Lines provided a cash escrow in the amount of \$22,440 to account of the 3.74 lb/yr deficit.

During the design of the underground stormwater detention system for the City Hall/Public Safety Building, we (MSA) reached a point of diminishing returns between rock excavation costs and the required storage volume needed to achieve the required TP reduction. The City and SWWD executed second MOU for alternative stormwater compliance that identified a value of \$5,700 to account for the 0.95lb/yr deficit.

The SWWD is planning to construct an underground stormwater BMP at 16th Street and Cedar Lane that is capable of removing approximately 31lb/yr of TP. The SWWD has requested that the City allocate the funds associated with the alternative stormwater compliance (\$28,140 total) to the construction of the proposed BMP. Along with the \$22,440 from Wilson Trucking Lines, staff proposes to contribute \$5,700 of the ARPA funds (\$30,000 was set aside for stormwater treatment) to the project. In staff's opinion, this is an extremely cost-effective solution to address the TP reduction requirements and we are very pleased with the cooperative efforts of the SWWD to resolve this challenge.

<u>Action Requested</u>: We respectfully request the City Council consider the enclosed Memorandum of Understanding between the City and SWWD and allocate \$5,700 from the ARPA funds to the construction of the underground stormwater BMP at 16th Street and Cedar Lane.

MEMORANDUM OF UNDERSTANDING BETWEEN THE CITIES OF NEWPORT AND SOUTH WASHINGTON WATERSHED DISTRICT

Use of Available City of Newport Funds Under Alternative Compliance Applied to the Installation of Underground BMP at 16th Street and Cedar Lane

THIS AGREEMENT, by and between the South Washington Watershed District, a political subdivision of the State of Minnesota, herein after referred to as the "SWWD", and The City of Newport, a political subdivision of the State of Minnesota, hereinafter referred to as the "City."

WHEREAS, the City has an Memorandum of Understanding (MOU) with Wilson Trucking Lines and is holding an escrow, an amount of \$22,440 for to meet a Total Phosphorus (TP) reduction loading target of 3.74 lbs/yr (\$6,000/lb): and

WHEREAS, the City has a MOU with the SWWD allowing for alternative compliance to meet a TP reduction loading target of 0.95 lbs/yr for the construction a new City Hall and Public Safety Building; and

WHEREAS, the TP reduction loading target for the City Hall and Public Safety Building is valued at \$5,700 (\$6,000/lb), and

WHEREAS, the SWWD is installing a treatment device at 16th Street and Cedar Lane designed to remove 22 tons of Total Suspended Sediment (TSS)/yr, with an associated removal of 31 lbs/yr of TP, and

WHEREAS, conditions in the City of Newport for creating effective, small footprint and low cost projects is an ongoing challenge due to underlying challenges with high bedrock and low infiltration potential

NOW THEREFORE, the City and SWWD agree to the following:

- **1.** This Memorandum of Understanding ("MOU") is designed to address the obligations of all parties to this agreement.
- 2. The City of will provide a sum of \$28,140 to the SWWD to apply to the cost of installation of the planned underground BMP device at 16th Street and Cedar Lane. The sum is a combination of monies from two projects within the City that require TP reductions under SWWD Stormwater Rules. The two funds identified consist of:
 - a. An MOU effective 10/19/2020 between the City and Wilson Trucking Lines provides for Alternative Stormwater Compliance for treatment of 3.74 lbs/yr TP for the construction of parking lot improvements in the amount of \$22,440
 - b. An MOU effective 7/13/2021 which provides for Alternative Stormwater Compliance for the construction of the Newport City Hall and Public Safety Building in an amount of \$5,700.
- **3.** The underground BMP planned by the SWWD for the site at 16th Street and Cedar Lane is designed to capture 22 tons of Total Suspended Sediment in order to reduce loading to this TMDL identified target pollutant.
- **4.** The BMP as modeled will provide removal of 31 lbs/yr of TP, far exceeding the 4.69 lbs targeted for removal by the two City related projects.
- **5.** The City will provide one-time payment of \$28,140 to the SWWD to be applied in full towards the installation of the underground BMP at 16th Street and Cedar Lane.

6. Following payment to the SWWD, no further obligations with regard to TP treatment will be required for the Wilson Lines Project as completed in 2020 and the City Hall/Public Works project as completed in 2022.

7. Independent Contractor

Nothing contained in this Agreement is intended or should be construed as creating the relationship of co-partners of joint ventures with the City. No tenure or any rights or benefits, including Workers' Compensation, Unemployment Insurance, medical care, sick leave, vacation leave, severance pay, PERA, or other benefits available to City employees, shall accrue to SWWD or employees of SWWD performing services under this Agreement.

8. Indemnification

To the limit on governmental liability for a single governmental unit as specified in Minnesota Statutes, Section 466.04, Subdivision 1, SWWD agrees it will defend, indemnify and hold harmless the City, its officers and employees against any and all liability, loss, costs, damages and expenses which the City, its officers or employees may hereafter sustain, incur, or be required to pay arising out of the SWWD's performance or failure to adequately perform its obligations pursuant to this Agreement.

9. Data practices

All data collected, created, received, maintained, or disseminated for any purposes by the activities of Contractor or its subcontractors because of this contract is governed by the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as amended, the Minnesota Rules implementing such act now in force or as adopted, as well as federal regulations on data privacy and compliance with the requirements of such statutes and regulations being imposed as a term of this contract.

Trade Secrets: Assuming that the material that the organization would supply is not just proprietary, but also constitutes a trade secret under the Uniform Trade Secrets Act definition, it could be protected under Minn. Stat. Section 13.37 subd. 1(b) and subd. 2. The MGDPA definition of "trade secret information" tracks the language of the UTSA, and thus includes "government data, including a formula, pattern, compilation, program, device, method, technique or process (1) that was supplied by the affected individual or organization, (2) that is the subject of efforts by the individual or organization that are reasonable under the circumstances to maintain its secrecy, and (3) that derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use." If it meets this definition, then subd. 2 makes it nonpublic data with regard to data not on individuals, and private data with regard to data on individuals. Beyond the protections of this provision, it would be difficult for a city to keep a promise of confidentiality.

10. Records – Availability and Retention

The SWWD agrees that the City or any of their duly authorized representatives at any time during normal business hours and as often as they may reasonably deem necessary, shall have access to and the right to examine, audit, excerpt, and transcribe any books, documents, papers, records, etc., which are pertinent to the accounting practices and procedures of the SWWD and invoice transactions relating to this Agreement.

SWWD agrees to maintain these records for a period of six (6) years from the date of termination of this Agreement.

11. Merger and Modification

It is understood and agreed that the entire Agreement between the parties is contained here and that this Agreement supersedes all oral agreements and negotiations between the parties relating to the subject matter. All items referred to in this Agreement are incorporated or attached and are deemed to be part of this Agreement. Any material alterations, variations, modifications, or waivers of provisions of this Agreement shall be valid only when they have been reduced to writing as an amendment and signed by the parties.

12. Default and Cancellation

If the SWWD fails to perform any of the provisions of this Agreement or so fails to administer the work as to endanger the performance of the Agreement, this shall constitute default.

Unless the SWWD's default is executed, the City may, upon written notice, immediately cancel this Agreement in its entirety.

This Agreement may be cancelled with or without cause by either party upon thirty (30) days written notice.

13. Nondescrimination

During the performance of this Agreement, the SWWD agrees to the following: No person shall, on the grounds of race color, religion, age, sex, disability, marital status, public assistance status, criminal record, creed or national origin be excluded from full employment rights in, participation in, be denied the benefits of or be otherwise subjected to discrimination under any and all applicable federal and state laws against discrimination.

SWWD has signed this Agreement and the City having duly approved this Agreement pursuant to such approval and the proper City officials having signed this Agreement, the parties hereto agree to be bound by the provisions herein set forth.

I concur with this Memorandum of Understanding.

City of Newport, MN Resolution No. 2022-47

A Resolution Directing the City Administrator to Certify Unpaid Water, Sanitary Sewer, Storm Sewer, and Street Lighting Charges to the County Treasurer/Auditor to be Collected With Other Taxes on Said Property in the City of Newport, County of Washington, MN

WHEREAS, the City of Newport ordinances establishes rules, rates and charges for water, sanitary sewer, storm sewer, and street lighting services, and

WHEREAS, Minnesota Statutes, Section 444.075, Subd. 3, provides that all delinquent water, sanitary sewer, storm sewer and street lighting charges not paid may be certified to the County Treasurer/Auditor with the taxes on such property; and

WHEREAS, the City Council of the City of Newport has determined that all delinquent Utility Charges shall be certified to the County Treasurer/Auditor with the taxes on such property; and

WHEREAS, an Assessment Roll has been prepared specifying the property and delinquent amount including all penalties to be certified against each particular property; and

WHEREAS, the City Council has elected to charge a service charge of \$25, \$5 of which goes to the County, and an annual interest rate charge of 18% to all delinquent accounts.

NOW THEREFORE BE IT RESOLVED, that the City Council of the City of Newport, Minnesota hereby ordains:

Special Assessment No. 2022-01 in the amount of **\$94,525.40** relating to the certification of delinquent utility bills is calculated as follows:

A copy of which is attached hereto and made a part hereof, is hereby accepted and shall constitute a special assessment against the lands named therein.

Motion by:, Sec	conded by:
VOTE:	Elliott Chapdelaine Ingemann Taylor Johnson
